PROFESSIONAL SUMMARY

Data Analyst with 3+ years of experience across telecom and market research, using SQL and Tableau to turn large datasets into insights that support business decisions. Currently completing an M.Sc. in Applied Economics and Markets at the University of Bologna (expected October 2026). Looking for opportunities in data analytics and BI.

WORK EXPERIENCES

Intern in the Department of Statistics and Machine Analysis 2025
NUR Telecom LLC - Kyrgyzstan, Bishkek

During a one-month summer internship:

- Designed a migration plan to move company reporting from Excel to Tableau, laying the groundwork for the department's shift to BI-based reporting;
- Built a dashboard tracking the company's core service metrics in Tableau, making it easier for the team to monitor performance on a daily basis;
- Optimized reporting scripts and streamlined data workflows, improving processing efficiency.

Data Analyst | Lead Data Analyst 2022 - 2024
NUR Telecom LLC - Kyrgyzstan, Bishkek

- Promoted from Data Analyst to Lead Data Analyst within 1.5 years in recognition of technical contributions and growing ownership of reporting processes;
- Introduced SQL into the department's daily workflow, replacing manual reporting methods and significantly speeding up data extraction and analysis;
- Redesigned team workflows and task distribution across the department, improving reporting turnaround and overall efficiency;
- Delivered regular forecasts and KPI reports that helped leadership identify key deviations and make informed business decisions;
- Contributed to the rollout of Tableau as a visualization tool for department reporting, supporting a shift to more consistent, up-to-date reporting.

Market Research Analyst

2021 - 2022

M-Vector LLC - Kyrgyzstan, Bishkek

- Managed end-to-end client communication in Russian and in English for select projects;
- Led several large-scale marketing research studies, covering the full cycle from questionnaire design and testing to final analytical reports and recommendations (study details confidential under client agreements);
- Built project timelines and worked with databases and visualizations to present findings clearly to clients.

EDUCATION

Master's Degree, Applied Economics and Markets

University of Bologna, Italy

2024 - 2026

Bachelor's Degree, Mathematical Methods and Operations Research Methods in Economics

Kyrgyz-Russian Slavic University, Kyrgyzstan

2018 - 2022

SKILLS

- SQL, Tableau, Power Query, Excel (VLOOKUP, Pivot Tables), SPSS, Python, Power BI;
- Proficient in MS Office (Word, PowerPoint, Outlook, Access).
